Whether a new literacy resource, a differentiated resource, a resource for inclusive classrooms, or one focused specifically on struggling readers, let's share a resource and talk about it in this blog.

1. First, tell us why you chose the resource.
2. Next, provide us with a link to the resource and a brief description of it.
3. Explain how the resource works effectively, or has the potential to work effectively, with struggling readers.

Step 2: This will open a new web browser window. Use the scroll bar on the right to scroll down past the Ads until you see the text boxes shown below.

Step 3: Place your mouse/cursor over the box where it is asking for your “Name” and left click your mouse. This will expand additional text boxes for email and password (do not enter anything into these text boxes), as well as an option at the bottom with a checkbox to select “I’d rather post as a guest”. Click this checkbox and then move your mouse/cursor to where it says “Join the discussion”, left click and start typing your response. When done, click on the arrow to submit.
